

Dhundhta hoon main aaine mein tujhe
Chahta hoon tujhsa banoo
Chashmo mein tere jannat kya haa ye lage

Kandhe chadu toh udane lagu
Saya tera ho mera sath mein
Manzil meri hai tere haath mein
O papa love you papa
Mere papa thank you papa

Mummy hamesa karti hai meri fikar
Par pappa hai to kis baat ka dar
Meri har shararat mein ho tumhi partner
Mere har sawaal ka tum ho anwser
Main ghir padu to mujhko sambhale tu
Himmat mile jo gale se lagale tu
O papa mere papa
Love you papa thank you papa.
