

Love You So Much Baby Song Lyrics

Love you so much baby
You do so much for me
You do so much for me

The stars and moon are nothing
To do going through on me
To do going through on me

Love you so much baby
You do so much for me
You do so much for me

The stars and moon are nothing
To do going through on me
To do going through on me

Jaahan ki saari khushiyan aab hojai teri
Aab hojai teri
Tuhi humsafar aur tu zindagi meri
Tu zindagi meri

Tune mujhe kya kiya hain
Baan gaya tu jeene ka sahara
Tumse pyaar ho gaya hain
Jobhi mere tha aab ho gaya tumhara

Love you so much baby
You do so much for me
You do so much for me

The stars and moon are nothing
To do going through on me
To do going through on me

Pyaar ko manzil meri tu ban gaya hain
Tujhse hi duniya hain meri
Likhdi hain tere naam zindagi
Janam janam mein huu teri

You know how much i iove you baby
You know how much i iove
Tuhi tho hain mere dil mein baby
Mere dil main tuhi hain basaa

Love you so much baby
You do so much for me
You do so much for me

The stars and moon are nothing
To do going through on me
To do going through on me

Jaahan ki saari khushiyan aab hojai teri
