

Haan bebe..

Ohi galliyan si te ohi ghar saada,  
Taava taava badleya na si kujh jaada,  
Salaam kitti si phonch ke uche dhuppe nu,

Raati supne ch mileya main jaake bebe nu,  
Raati supne ch mileya main jaake bebe nu,

Meriyan fikran vich kaala rang hoya,  
Khore kinne chir taun laadla nai soya,  
Khwaaban vich kyu na vekhan main fer bebe nu,

Raati supne ch mileya main jake bebe nu,  
Raati supne ch mileya main jake bebe nu,

Beh bukal vich bada sakoon hi mileya si,  
Bhavein oh sakoon khadi-ku pal da si,  
Jad utheya fer dekhan khali jebe nu,

Raati supne ch mileya main jaake bebe nu,  
Raati supne ch mileya main jaake bebe nu,

Duniya te ik cheez amulli maa yaaron,  
Kudiyan te nasheyan vich mamta na maaro,  
Jad tur gayi tarsenga soni bebe nu,

Raati supne ch mileya main jaake bebe nu,
