

Main thak gaya tha
Socha tha so jaaun
Tere aanchal mein rota jaaun
Meri jebe khaali hai
Bas dhundali yaade hai
Wahi teri baatein aur tera pyaar

Is jeevan se pyaar karta nahin
Aur marne se main to darta nahin
Sab kuch bhulne baad
Mujhe ab talak hai yaad
Wahi teri baatein aur tera pyaar
Maa main haara nahin
Raato ke andhero se
Main haara nahin
Chhahe bhukh ho aur pyaas
Main haara nahin
Main haara nahin
Mere saath tera vishwas

Maine maangi thi suraj ki boondein
Megho ke saaye mujhe dhoonde
Khushiyon ka pal jo ruka
Main na toota na jhuka
Meri himmat teri baatein tera pyaar
Maa main haara nahin
Aandhi se toofano se
Main haara nahin
Mat ho na tu udaas
Main haara nahin
Samay se insaano se
Main haara nahin
Mere saath tera vishwas

Maa main haara nahin

Mujhe yaad hai mera bachpan
Aur woh kaali sooni raat
Mujhe yaad hai kya galat tha kya sahi
Aur usse bhi zayda mujhe yaad aaye tera pyaar

Par main haara nahin
Haara nahin
Main haara nahin
Raato ke andhere se
Main haara nahin
Mat ho na tu udaas
Main haara nahin
Samay se insaano se
Main haara nahin
Mere saath tera vishwas
Maa main haara nahin

Maa main haara nahin
Haara nahin haara nahin haara nahin
Mere saath tera vishwas.
