

Maahi ve mohabaatein sachchiyan ne
Maahi ve mohabaatein sachchiyan ne
Mangda naseeba kuch aur hain
Maahi ve mohabaatein sachchiyan ne
Mangda naseeba kuch aur hain
Kismat de maare assi ki kariye
Kismat de maare assi ki kariye
Kismat de maare assi ki kariye
Kismat tey kiskta zor hai
Maahi ve maahi ve maahi ve

Ek taraf ishq hai tanha tanha
Ek taraf husn hai ruswa ruswa
Ek taraf ishq hai tanha tanha
Ek taraf husn hai ruswa ruswa
Dono bebas huve hai kuch aise
Kare to kisse kare hum shikwa
Maahi ve

Maahi ve mohabaatein sachchiyan ne
Mangda naseeba kuch aur hain
Maahi ve mohabaatein sachchiyan ne
Mangda naseeba kuch aur hain

Maahi ve maahi ve

Dil na tute khuda ka yeh ghar hai
Tere sajde mein mera yeh sir hai
Dil na tute khuda ka yeh ghar hai
Tere sajde mein mera yeh sir hai
Maut se darr nahin lagta mujhko
Sirf tumse judaai ka darr hai

Maahi ve
Maahi ve mohabaatein sachchiyan ne
Mangda naseeba kuch aur hain
Maahi ve mohabaatein sachchiyan ne
Mangda naseeba kuch aur hain
Kismat de maare assi ki kariye
Kismat de maare assi ki kariye
Kismat de maare assi ki kariye

Kismat tey kiskta zor hai
Maahi ve maahi ve maahi ve
Maahi ve maahi ve maahi ve.
