

Maanuga maanuga jo tera kehna hai  
Tere isshaaron pe abb mujhe chalna hai  
Meri koi marzi nahi  
Ab yun he jeena hai  
Ab yun he marna hai

Maanuga maanuga jo tera kehna hai  
Tere isshaaron pe abb mujhe chalna hai  
Meri koi marzi nahi  
Ab yun he jeena hai  
Ab yun he marna hai

Hoo doriyan teri mere haath mein saar hai  
Tujhpe mera kabza hai  
Jo bhi ab rastaa main tujhko dikhaaon  
Wohi tera rastaa hai

Maanuga maanuga jo tera kehna hai  
Tere isshaaron pe abb mujhe chalna hai  
Meri koi marzi nahi  
Ab yun he jeena hai  
Ab yun he marna hai

Tu hai kaun mein hoon kaun  
Ab kaise main kahoon  
Jiska remote hai pass tere haan  
Main woh machine hoon oo

Hai yeh mere bass mein

Aazadi nahi payegaa  
Mujhse saikdon baras mein

Maanuga maanuga jo tera kehna hai  
Tere isshaaron pe abb mujhe chalna hai  
Meri koi marzi nahi  
Ab yun he jeena hai  
Ab yun he marna hai

Tera hukum hai sar aankhon  
Par tera ghulam hoon  
Jo tu kahe bin soche samjhe  
Karta woh kaam hoon  
Tere jeene ka bas matlab yeh hai  
Mujhse kush karna hai  
Aag ke dariya mein bhi main  
Kahon to tujhko utarna hai

Maanuga maanuga jo tera kehna hai  
Tere issaaron pe abb mujhe chalna hai  
Meri koi marzi nahi  
Ab yun he jeena hai  
Ab yun he marna hai
