Oh ohoh picasso
Endhan kanmani picasso
Vinnveli picasso
Maname mar ezha para

Oh ohoh picasso
Endhan kanmani picasso
Vinnveli picasso
Maname mar ezha para

Maan aaga mayil aaga
Naan motha step-pum poda
Aayiram isaiyinil vaazha

Puyalil suzhalum kuzhalaga
Urugidum mozhiyae
Saptak kadalaai viriyum thuliyanaen
Maruganam ariyaen

Indha life-uh orumuraithaan
Laugh-uh marumozhi thaen
Inbam idhuvandro
Mudivundho
Nirai niraikudam irudhayamae

Maghizhanu maghizhanumae
