

Utte kaangde na jaiyo mor balma
Utte kaangde na jaiyo mor balma

Aana jab bhi tum sure balma
Utte kaangde na jaiyo mor balma
Utte kaangde na jaiyo mor balma

Tujhe ring pehnaunga aur queen banaunga
Phir world ghumaunga sweety
Pin-password saare tujhko bataunga
Teri lagaunga DP

Saari saari raat tere talve malunga
Jara pedicure le lena, bada maja milega
Jaise tujhse rosy-cozy baatein karunga
Haathon mein tu dor le lena

Macchardani na taano baby garmi laage re
Macchardani na taano baby garmi laage re
Macchardani na taano baby garmi laage re
Macchardani na taano baby garmi laage re

Ek to bheetar ki garmi, Upe teri besharmi
Thoda AC badha doon jo garmi laage re
Macchardani na taano baby garmi laage re
Garmi laage re

Garmi laage re

Utte kaangde na
Utte kaangde na
Utte kaangde na jaiyo mor balma

Utte kaangde na jaiyo mor balma

Ohi ghar kaangde ke dheeth ladakwa
Ohi ghar kaangde rude ladakwa
Mohke chhede na dekho mor balma
Utte kaangde na jaiyo mor balma

Saari saari raat tere talve malunga

Jara pedicure le lena bada maja milega
Jaise tujhse rosy-cozy baatein karunga
Haathon mein tu dor le lena

Macchardani na taano baby garmi laage re
Macchardani na taano baby garmi laage re
Ek to bheetar ki garmi, Upe teri besharmi
