

Machi Song Lyrics

Hey first u first u unnai paakayila
Just-u miss u aagi poitene
Ennai than neeyum paarthu putta
Side u vangi odi putta

First u first u unnai paakayila
Kannoda kannu nokkaiyila
Heartu lite ah thudichathada
But brainu ok sollalada

Manasu kedandhu adichudhu gas-u
Balloon-ah pola vedichudhu
Thannane naane naane
Naane naane naanane

Baby baby
Oh my oh my baby oh oh
Baby baby
Oh my oh my baby oh
