

Ya rasool-il-allah
Ya rasool-il-allah
Mehboob e khudaa
Mehboob e khudaa
Ya mustafaa ya mustafaa

Choom loon ek baar
Aankhon se ye nooraani zameen
Bekason par ek nazar
Ya rehmat-ul-il-aalami

Madad keejiye taajdaar e madina
Madad keejiye taajdaar e madina
Hum aankhon se dekhen dayaar e madina aa
Dayaar e madina

Madad kijiye taajdaar e madina

Jahaan baadshah sar-nigoon ghoomte hain
Farishte jahaan ki zameen choomte hain
Azaan pe jahaan aulia jhoomte hain
Hai jaan e bahaaraan bahaar e madina
Madad keejiye taajdaar e madina
Madad keejiye taajdaar e madina

Ye kaise adab ke maqaam aa rahe hain
Ke arsh e bari se salaam aa rahe hain
Sh'h e do jahaan ke ghulaam aa rahe hain
Dil o jaan kareng nissaar e madina
Madad kijiye taajdaar e madina
Madad kijiye taajdaar e madina

Yaa habeebi khudaa aa aaa aa
Sal-lallaah u ale-hi-vasal
Yaa rasool e khudaa aa aa aa
Sal-lallaah u ale-hi-vasal
Ya mustafaa ya mustafaa
Ya mustafaa

Ye qur'aan ki manzil watan hai nabi ka
Mila khuld se raasta is gali ka

Yahin se milaa hai pataa zindagi ka
Mubaarak hai har yaadgaar e madina
Madad kijiye taajdaar e madina
Madad kijiye taajdaar e madina
Hum aankhon se dekhen
Dayaar e madina aa aa aa
Dayaar e madina
Sal-lallaah u ale-hi-vasal
Yaa rasool-ul-Ilaah. . .
Sal-lallaah u ale-hi-vasal
Mehboob-e-khuda. . .
Ya mustafaa, ya mustafaa
Ya mustafaa, ya mustafaa
Ya mustafaa, ya mustafaa.
