

Ya nabi lije khabar bigadi hui taqdeer hai  
Aap ka har ek amal kuraan ki tasvir hai

Madad kijiye tajdare madina  
Madad kijiye tajdare madina  
Mai aankho se dekhu daya re  
Madina daya re madina  
Madad kijiye tajdare madina

Vo jhali vo roja vo minar dekhu  
Do aalam ke aaka ka darbar dekhu  
Vo jhali vo roja vo minar dekhu  
Do aalam ke aaka ka darbar dekhu  
Khuda ki khudai ka shahkar dekhu

Hai din raat an intjhare madina  
Madad kijiye tajdare madina

Nahi maine dekha kabhi pyar maa ka  
Khata kijiye kali kamli ka saya  
Huzur apni shah me yatimi ka sadka  
Hamesa rahu khaksare madina  
Madad kijiye tajdare madina  
Mai aankho se dekhu daya re  
Madina daya re madina  
Madad kijiye tajdare madina  
Madad kijiye tajdare madina.
