

Madam x madam x madam x
Madam x madam x madam x
Madam x madam x madam x
Jab jab samne aati hai
Ek kayamat chati hai
Dasti hai vo logo ko
Jab nagin ban jati hai
Koi ise jane na koi ise pahchane na
Kon hai kon hai, kon hai
Madam x madam x madam x
Madam x madam x madam x
Madam x madam x madam x

Duniya se dharti kaha hai
Dil taj sokh sahzadi
Hai rang uske hazaro
Us ne jo aafat macha di
Koi ise paye na hath vo aaye na
Kon hai kon hai, kon hai
Madam x madam x madam x
Madam x madam x madam x
Madam x madam x madam x

Logo ki neende udha de
Vo hosh sabke mita de

Kahne ko hai ek aurat
Dharti gagan ko hila de
Koi ise roke na koi ise toke na
Kon hai kon hai, kon hai

Madam x madam x madam x
Madam x madam x madam x.
