

Madham madham shaam dhali hai
Chaand khila hai aawaara
Madham madham shaam dhali hai
Chaand khila hai aawaara
Raat hai meri tanhaa tanhaa
Aur hawa hai aawaara
Madham madham shaam dhali hai

Koi khusbhoo chhod gaya hai
Meri tanhaa raahon mein
Humm koi khusbhoo chhod gaya hai
Meri tanhaa raahon mein
Main bhi hoon kuchh behka behka
Dil bhi mera hai aawaara
Aawaara aawaara..

Husn ki tere baat chali hai
Jab se kuchh maikhano mein
Humm husn ki tere baat chali hai
Jab se kuchh maikhano mein
Raks mein doobe paimaane hai
Aur nasha hai aawaara
Aawaara aawaara..

Kaise kehdoon ki ab uska
Kuch bhi mere paas nahin
Aa kaise kehdoon ki ab uska
Kuch bhi mere paas nahin
