

Madhura Mugulunage Lyrics

Madhura mugulunage
Manada olagolage
Olava parimalave
Dinuvu edeyolage

Kannadada haadondanna hadiruve kanninda
Jaagarane aarambha nee bandu
Jeevanada haarata chanda kananinda
Kampiside ee jeeva bhaavaneya tappuvilla

Naa nodidare ninnan mooduvudu munjaane
Suryanu yetake ninnuurige
Akkareya maatadi nakkubidu heegene
Sakkare yetake neeniddare

Ene helu neene modalu ella mele
Nemmadiya goodonda kandiruvuni ninninda
Bannagala daari saagona illinda
Nannedeya oduvenu kanninda
Doora iduvaaga nanna nenapu

Madhura mugulunage
Manada olagolage
