Prema paravasame
Sugandhamai virise

Kallatho paata paadalae poota
Nee raakaise reppatho ee paata
Jeevithamai undanga maaralae neevalla
Swargame naa chenta chere evela

Chudaga nee andam suryudai maarade
Mabbulo mellaga jaaripoye
Teeyani nee maata vintune untaga
Madhurame taruchi nadichipoye

Edemunna nee taruvate
Anni aapaine
Haayiga nee ollu vaalipovalanto
Rangula harivillo ee needa chuttu
Teliyani aasha edo haddu meerantundi
Apukolenunna dayachupama

Madhuramaina alale
Hrudayamuna kadile
Prema paravasame
Sugandhamai virise

Kallatho paata paadalae ee poota
Nee raakaise reppaku ee paata
Jeevithamai andanga maarala neevalla
Swargame naa chenta chelle neevayya
