Waha koyi chhota naa koyi bada hai  
Waha har bashar ek sap me khada hai

Bahut door hoon main  
Bahut door hoon main tere asstha se,  
Meri hajari ley ley aatha yaha se  
Mujhe baksha de wakt key imtihan se,  
Key majboor hoon main game do jahan se

Chune gul sabhi ne tere gulsita se,  
Mujhe sirf kante mile kyon fija se  
Tujhe sab pata hai kahu kya juban se,  
Phakat ek ishara too kar de waha se  
Sitaare hai kismat key naa meharban sey,  
Juda kar naa dekh ek bete ko man se  
Agar hukm hai maut kaa asman se,  
Badal de meri jaan meri man ki jaan se

O shahe o alam, o shahe madina  
Mubarak ho tum sabko hajj kaa mahina

Naa thi meri kismat key dekhu madina
