

Madura Veeran Song Lyrics

Hey madura veeran azhagula
Maattu kombu thimirula
Paavi nenji sikkikikuche

Vaadi en karuppatti
Paartha paththum theepetti
Maaman nenju paththikiruche

Maarula yeerida idam tha
Meesaiya neevura varam tha
Uduthura vettiya pola
Ottikittu vaara poorenda

Un kooda varenda
Un kooda varenda

Theani moththam paakka thaan
Thangame unnai thookki thaan
Moththa theana thaan
Naan mondu oothava

Oore kannu poda thaan
Maaman unnai koodi thaan
Pulla nooru thaan
Naan peththu podava

Kodai saanjene komban naan thaane
Kudamaakki karuvachi
Oruvaatti ennai thookki pooyendi

Un kooda vaarendi
Un kooda vaarendi

Maaman kannu sooriye
Eerakula yeriye
Ethama ennai kuththi kollathe

Aantha muzhikariye
Aruva mana maariye
Sugama ennai vetti thallathe

Seelai mundhi oorama
Aatha thantha vaasama
