

Teriyaan meriyaan pul gaya
Pul gaya haar te jeet
Hey maaye ki karna main jeet nu
Hove naa jeee meet hove naa je meet

Bindiya lagati thi to
Kaampti thi palkain meri
Chunniyan sajaa ke woh
Deti waadein kal ke maeri
Mere haathon main tha uska haath
Thi chaashni si har uski baat
Maeri aap hi hansdi maeri aap hi rondi
Maeri yaad woh yaad woh aaeri
Gallan o kardi maeri aakhan naal larhdi
Maeri yaad woh yaad woh aaeri
He maeri

Baarishon main lipatke maa
Aati thi woh chalke maeri
Deriyaan ho jaye to roti halke halke maeri
Phir se main roun phir se woh gaye
Thandi hawaaen ban ke chhaye
Maeri heeri o gaandi maeri gidde o paundi
Maeri yaad woh yaad woh aaeri
Jannataa o longdi maeri mannatta o mangdi
Maeri yaad woh yaad woh aaeri
Ab ka karoon kaa se kahoon e maeri
Ab ka karoon kaa se kahoon e maeri
Ho

Duniya paraaee chhod ke aajaa
Jhote saare naate tod ke aajaa
Saun rab di tujhe ik baari aajaa
Ab ke milein to honge na judaa
Na judaa na judaa ho
Hoonte to aaye koi te le aaye
Maeri yaad woh yaad woh aaeri
Gallaan o kardi maeri akhiyan nal larhdi
Maeri yaad woh yaad woh aaeri
Pull gayi mera pyaar maae

Bas lage maheene char
Maeri yaad woh yaad woh aaeri
Yaad woh aaeri maeri yaad woh aaeri
Maeri yaad woh yaad woh aaeri
Ab ka karoon ka se kahoon e maeri
Ab ka karoon ka se kahoon e maeri.
