

All i want is you baby  
So come and give me your love to me  
This moment feels alright  
Tonight's the night

All i want is you baby  
So come and give me your love to me  
This moment feels alright  
Tonight's the night

Ho aaja mahi aaja mahi  
Aa soneya ve aake  
This moment feels so right  
Tonight's the night  
Aaja mahi aaja mahi aa soneya ve  
Aake ajj mera gal lag jaa tu

Aaja mahi aaja mahi aa soneya ve  
Aake ajj mera gal lag jaa tu  
Aaja mahi aaja mahi aa soneya ve

Tu hi jind meri  
Tu hi meri taqdeer ve  
Ban gaya ranjha aur  
Tu hi meri heer ve

Kaise bataaun tujhe  
Kitna hai pyaar ve  
Rabb dikhta hai tujh mein

O mere yaar ve

Aaja mahi aaja mahi aa soneya ve  
Aake ajj mera gal lag jaa tu  
Aaja mahi aaja mahi aa soneya ve  
Aake ajj mera gal lag jaa tu

Feels alright tonight's the night  
Feels alright tonight's the night

Uditi patang meri  
Bas tere maanjhe se  
Mere jaisa pyar na hoga  
Kabhi kisi raanjhe se  
Heer se bhi sohni hai tu  
Keemti hai heeron si  
Pyar ki hai chaahat teri  
Ishq ke faqeeron ki

Aaja mahi aaja mahi aa soneya ve  
Aake ajj mera gal lag jaa tu  
Aaja mahi aaja mahi aa soneya ve  
Aake ajj mera gal lag jaa tu  
Aaja mahi aaja mahi aa soneya ve  
Aake ajj mera gal lag jaa tu  
Aaja mahi aaja mahi aa soneya ve  
Aake ajj mera gal lag jaa tu.
