

Somewhere out there  
I know there is someone  
Who is waiting just for me maahiya  
He is gonaa set me free maahiya

Jiski aankhon mein meri hi nami ho  
Koyi toh hai woh yaar maahiya  
Karoon main intzaar maahiya  
Jisake jine mein meri hi kami ho  
Rahe jo bekaraar maahiya  
Woh mujhpe nisaar maahiya  
Jisaki har baat mujhse judi ho  
Chaahe jo beshumaar maahiya  
Wafa se wafadaar maahiya

How long my Why can  
you be a part of my reality

Usako li zindagi ke khwaab main bunoo  
Chamkile rang saare unamein bunoo  
Usako aksar khayaalo mein socha  
Kahin toh hai woh yaar maahiya  
Woh mera dildaar maahiya  
Somewhere out there  
I know there is someone  
Who is waiting just for me maahiya  
He is gonaa set me free maahiya

I know that he is gonaa  
be my destiny Its all part of  
Kab se us ke aane ki  
main raah takoon  
Kab se chhupa ke  
ise dil mein rakhoon  
Mere dil ne taraasha use jaisa  
Milega wahi yaar maahiya  
Hai mujhe aitbaar maahiya  
Somewhere out there  
I know there is someone  
Who is waiting just for me maahiya

He is gonaa set me free maahiya  
Jiski aankhon mein meri hi nami ho
