

Mai love tumse
Really kasam se
Ask mere heart se
Each and every part se
Inside sapno me
Outside samne u hai
U hai only u hai

Mai bhi love tumse
Really kasam se
Ask mere heart se
Each and every part se
Inside sapno me
Outside samne u hai
U hai only u hai

Wrong nahi right hai
Love two side hai
Without u my zindagi
Black and white hai

I bhi toh janu tere
Liye mad hai
U naa ho front me
Toh full day bad hai

Mai love tumse
Really kasam se
Ask mere heart se
Each and every part se
Inside sapno me
Outside samne u hai
U hai only u hai

With u mere chehre
Pe shine hai
Along with tere
Meri life design hai

Every thing anything
Tere liye kar du

Bas mere love ki
Yahi dead line hai

Mai love tumse
Really kasam se
