

Huye tum meharaban
Phir dil ke tar tharraye
Mere ruthe huye sab
Geet sab nagein palat aaye

Too shok kalee mai mast pavan
Too shammae vafa mai paravana
Gulashan gulashan
Mahafil mahafil
Teraa meraa afasana

Meree pahalee pyas hai
Too aas hai

Too vishvas hai too
Jabse dil ne dhadkana sikha
Tabse dil ke pas hai too
Tan bhee teraa mann bhee teraa
Le le le le najarana
Too shok kalee mai

Dil ko dil pahchan gaya
Pyar kee bate man gaya
Nichee aankhe kya kahatee hain
Mai bin bole jan gaya
Dhalake dhalake mastee dhalake
Chhalake chhalake paimana
Too shok kalee mai

Haradam aankhe char
Kare haradam sau ikarar kare
Nafarat duneeya se mit
Jaye ham tum aisa pyar kare
Mahake machale
Mahake machale haradam
Julfe haradam lahake divana
Too shok kalee mai.
