Aanchal ki chaav layi
Khud ko jalake apne
Phool ko bachate aayi

Khud ko jalake apne
Phool ko bachate aayi

Saakh se jo tuta wo phir
Saakh se jo tuta wo phir
Nahi lagta hai mai
Puch bhege naina
Mai bhi to hun teri jai
Puch bhege naina
Mai bhi to hun teri jai
Mai re mai re
Mai re mai re

Jiska tujh ko itna gum hai
Wo sach nahi bhram hai
Jiska tujh ko itna gum hai
Wo sach nahi bhram hai
Jiske peche bhage pagli
Jiske peche bhage pagli
Wo bus nahi parchayi
Puch bhege naina se
Mai bhi to hun teri jai
Mai re mai re
Mai re mai re

Khaali ho chuke hai naina
Kaali ho gayi hai raina
Khaali ho chuke hai naina
Kaali ho gayi hai raina
Aahtoin ke peche kab tak
Aahtoin ke peche kab tak
Doregi kitna mai
