

Dur dur se aayi hu mai
To milne ko apne kanhiya se
Mai to aayi hu zhumri taliya se
O babu aayi hu zhumri taliya se
Arey hum bhi khad hai
Ha hum bhi khad hai

Hum kam to nahi hai kanhiya se
O pehle mil le tu aake siphiya se
O pehle mil le tu aake siphiya se

Gav gav aur gali gali
Dhunde ye meri nazariya
Puchhu mai kisko ye to bata de
O mile na tori khabariya
Arey samne hai tere
Ha samne hai tere
Do do sawariya
Mila le kisi se nazariya
Ha mila le kisi se nazariya
Arey mujhs ya is
Se is se ya mujhse
Tu pyar karegi kis se

lyrics

Chhodo ji chhodo hato ji hato
Chhodo ji chhodo arey hato ji hato
Aise pakdo na mujhko kaliya se
Mai to aayi hu zhumri taliya se
Mai to aayi hu zhumri taliya se

Ghere khade hai dekho lutere
Mujhko tu aake bacha le
Tere siva yaha koi nahi mera
Apne tu pas bula le
O chhod de chhokariya
Chhod de chhokariya
Shor machana
Humko tu apna le
O gori humko tu apna le

Arey man ja
Nahi manugi nahi manegi
Ja ja ja nahi manugi
O baza baza ke
Ha baza baza ke doli saza ke
Tujhe le jaye zhumri taliya se
O pehle mil le tu aake siphia se
O pehle mil le tu aake siphia se

Dur dur se aayi hu mai
To milne ko apne kanhiya se
Mai to aayi hu zhumri taliya se
O babu aayi hu zhumri taliya se.
