

Meri pyasi zindagani  
Dhunde teri nami  
Saari duniya pass mere  
Phir bhi teri kami..

Main adhoora main adhoora  
Main adhoora tere bager  
Main adhoora main adhoora  
Main adhoora tere bager

Lamho mein hai  
Teri aadam woh  
Main jal raha...  
Teri pyaas mein..

Aagosh ko hai chaahat teri  
Main ban gayi hoon raahat teri  
Tujhko mehsoos karne lagi hoon  
Khud se zyada, khud se zyada

Main adhoori main adhoori  
Main adhoori tere bager  
Main adhoori main adhoori  
Main adhoori tere bager

Lab se tere  
Shabnam chunu  
Lipta rahun..  
Tere jism se

Mere badan mein aisi tapish  
Jo hai badati teri kashish  
Jism teri panaho mein aake  
Gumshuda hai gumshuda hai..

Main adhoori main adhoori  
Main adhoori tere bager
