

Main apni zindagi bhi tujh pe jo lutaunga  
Main apni zindagi bhi tujh pe jo lutaunga  
Tere ehSaano ka badala chuka na paaunga  
Main apni zindagi bhi tujh pe jo lutaunga  
Tere ehSaano ka badala chuka na paaunga

Adhure khaab ke jaisi thi harkhushi apni  
Dhali thi ashqo ke rang mein har hasi apni  
Kise sunate bhala jaake bebasi apni  
Main teri pooja mein jo umra bhi beetaunga  
Main teri pooja mein jo umra bhi beetaunga  
Tere ehSaano ka badala chuka na paaunga

Mere jigar ka hi tukada hain ye bhaai mera  
Chamakte chaand ke jaisa hai ye mukhada tera  
Hamare aas paas ab nahi hain andhera  
Gagan se taare bhi jo tod ke main laaunga  
Gagan se taare bhi jo tod ke main laaunga  
Tere ehSaano ka badala chuka na paaunga

Main apne pyaar ke saaye mein tujho paalunga  
Meri nigaho ka saya bhi tujhpe daalunga  
Ghamo ki dhoop se sada sambhalunga  
Jo farz maata pita ka bhi main nibhaunga  
Jo farz maata pita ka bhi main nibhaunga
