

Aawaara hai galiyon mein,  
Main aur meri tanhaayi  
Jaayein toh kahaan jaayein  
Jaayein toh kahaan jaayein  
Har mod pe rusawaayi  
Main aur meri tanhaayi  
Main aur meri tanhaayi

Yeh phool se chehare hai,  
Hasate huye ghuldaste hain  
Koyi bhi nahi apana  
Begaane hai sab raste  
Raahein bhi tamaashaayi  
Raahein bhi tamaashaayi  
Main aur meri tanhaayi  
Main aur meri tanhaayi

Armaan sulagate hain sine mein chita jaise  
Kaatil najar aati hai, duniya ki hawa jaise  
Roti hai mere dil par, bajati huyi shehnaayi  
Main aur meri tanhaayi  
Main aur meri tanhaayi

Aakaash ke maathe par taaron ka chara hai  
Pehalu mein magar mere jakhmon ka gulista hai  
Aankhon se lahu tapaka daaman mein bahaar aayi  
Main aur meri tanhaayi
