

Main aur tu
Main aur tu kar le dosti aaja
Main aur tu
Main aur tu kar le dosti aaja
Main aur tu main aur tu

Yaad hai us din tumne
Meri gend uchhali thi
Jab maine nishana
Mara tali bazayi thi
Ruk jao tum pas
Hamare milkar khelenge
Naye dosto se hum
Apne bate sikhenge
Ho aaj ki bat kar na
Yaar bhule pichhli bate
Main aur tu tu aur

BHARAT
lyrics

Gir gir ke jo roye nahi
Wo aage bhadte hai
Kadam kadam karke
Hi log choti chadte hai
Bund bund se is duniya
Me sagar bharte hai
Chhoti moti choto se
Hum kaha darte hai
Ho naye safra ki naye dagar ki
Nayi nayi mulakate
Main aur tu kar le dosti aaja
Main aur tu tu aur mai

Itni jaldi ghul jaoge
Kisne socha tha
Hamare rang me rang jaoge
Ye kisne socha tha
Dil mera apna ya mera
Ab ye jag apnana hai

Aane wale kal ko tumne
Phulo me sazana hai
Ho maze ke din honge
Aur hongi mazedar si rate
Main aur tu tu aur
Main kar le dosti aaja
Main aur tu main aur tu.
