

Ya habibi ya habibi ya habibi  
Main baitha hoon  
Raho mein aankhe bichhaye  
Fariste masarat ka paygam laye  
Mohabbat chale hain  
Mohabbat se milne  
Kaho maut se  
Zindagi banke aaye  
Tamanna thi jiski  
Wo din aa gaya hain  
Mere saaze  
Dil ki yahi ab sada hain  
Mohabbat khuda hain  
Mohabbat khuda hain  
Mohabbat khuda hain  
Mohabbat khuda hain

Kahu kya mohabbat mein  
Main kya paya  
Umido se bhi  
Siwa meine paya  
Khudi ki hade  
Mil gayi bekhudi se  
Teri aarazu mein  
Khuda meine paya  
Khuda meine paya  
Zidhar dekata hoon  
Tera samana hain  
Mere saaze  
Dil ki yahi ab sada hain  
Mohabbat khuda hain  
Mohabbat khuda hain  
Mohabbat khuda hain
