

Dildar haseeno ka mehboob hoon  
Husn se pyar karna mera kaam hai  
Log deewane itna nahi jante  
Bharatlyrics.com  
Zindagi pyar ka dusra naam hai  
Main buddha hu to kya hua  
Main buddha hu to kya hua  
Pyar aur mohabbat aur jawani  
Dil se hoti hai  
Pyar aur mohabbat aur jawani  
Dil se hoti hai  
Are bemausam barsat  
Badi mushkil se hoti hai  
Main buddha hu to kya hua

Jaam se jaam takrate  
Subhah se sham takrate  
Waqt ki mahrbani se  
Badla lunga jawani se  
Badla lunga jawani se  
Chahat se pehchan isi  
Manzil se hoti hai  
Chahat se pehchan isi  
Manzil se hoti hai  
Are bemausam barsat  
Badi mushkil se hoti hai  
Main buddha hu to kya hua

Kis liye mujh pe hasti hai  
Tum mujhe kya samjhati ho  
Main hazaro se behatar hoon  
Naujawano se badkar hoon  
Naujawano se badkar hoon  
Toofano ki ijrat to sahil hoti hai  
Toofano ki ijrat to sahil hoti hai  
Are bemausam barsat  
Badi mushkil se hoti hai  
Main buddha hu to kya hua.
