

Dil mein liye, kitne armaan chala hoon  
Baandhi hai mutthi, choone aasmaan chala hoon  
Raahon mein aaye, laakh mushkile  
Har mushkil ko main, asaan karne chala hoon  
Main chala hoon, main chala hoon  
Main chala hoon, main chala hoon

Hoslon se ab, mili hai taaqat  
Dil mein apna, imaan liye chala hoon  
Majboot hai irade, pankhon mein jaan hai  
Karne parwaaz, jee jaan main chala hoon

Main chala hoon, main chala hoon  
Main chala hoon, main chala hoon  
Main chala hoon, main chala hoon  
Main chala hoon, main chala hoon

Majboot tha haalaton se magar  
Todde har bandhan, har deewar maine  
Likh di hai jahan, zameen kya hai ant  
Usko jaan ne, uss paar main chala hoon  
Main chala hoon, main chala hoon  
Main chala hoon, main chala hoon  
Main chala hoon, main chala hoon  
Main chala hoon, main chala hoon

Manzil kitni bhi, door ho magar  
Waqt ki taaqat, kitni bhi ho magar  
Baawjood har pal, bujhti lau ke  
Dil mein liye, ummeed aye paar chala hoon  
Main chala hoon, main chala hoon  
Main chala hoon, main chala hoon  
Main chala hoon, main chala hoon  
Main chala hoon, main chala hoon.
