

Main dhundti hu kaha ho sanam
Najar najar bahak rahi hai
Jhum ke ga rahi hai jindagi
Ek bas teri kami hai sanam
Pukarta hai dil tujhe sanam sanam
Najar najar chahak rahi hai aa
Chhed de mastio ki ragini
Mai hu jab tere liye
To kyu hai gum

Ye fiza ye rat ki jawaniya
Tere mere pyar ki kahaniya
Ye fiza ye rat ki jawaniya
Tere mere pyar ki kahaniya
Meharba tumhari meharbaniya
Jite hai tere liye khuda kasam
Meharba tumhari meharbaniya
Jite hai tere liye khuda kasam
Main dhoondhti hoon kaha ho sanam
Najar najar bahak rahi hai
Jhum ke ga rahi hai jindagi
Ek bas teri kami hai sanam
Pukarta hai dil tujhe sanam sanam
Najar najar chahak rahi hai aa
Chhed de mastio ki ragini
Mai hu jab tere liye
To kyu hai gum

Husn ka nikhar hai tere liye
Zulf ki bahar hai tere liye
Husn ka nikhar hai tere liye

Zulf ki bahar hai tere liye
Aur ye khak sar hai tere liye
Shikwe sab mita diye khuda kasam
Aur ye khak sar hai tere liye
Shikwe sab mita diye khuda kasam
Main dhoondhti hoon kaha ho sanam
Najar najar bahak rahi hai ha
Jhum ke ga rahi hai jindagi

Ek bas teri kami hai sanam.
