

Main ek paheli hoon  
Barso se akeli hoon  
Mujhe janne wala koi nahi  
Pahchanne wala koi nahi  
Main ek paheli hoon  
Barso se akeli hoon

Mere pas aa mere meharba  
Na dur hi se saja mujhe  
Main hu ek charag bujha hua  
Tu jala sake to jala mujhe  
Main ek paheli hoon  
Barso se akeli hu

Meri kab se hai yahi arzu  
Ke mujhe gale se lagaye tujhe  
Tere dil ka dard mitau mai  
Mere dil ki pyas bujhaye tu  
Mere dil ki pyas bujhaye tu  
Main ek paheli hoon  
Barso se akeli hoon

Tuhje kya khabar ke tere liye  
Main na jane kab se udash hu  
Mera pyar dekh ke har ghadi  
Tere sath hu tere pas hu  
Main ek paheli hoon  
Barso se akeli hoon
