

Main har ek pal kaa shayar hu, har ek pal meree kahanee hai
Har ek pal meree hastee hai, har ek pal meree jawanee hai
Main har ek pal kaa shayar hu

Rishto kaa rup badalta hai, buniyade khatam nahee hotee
Khwabo kee aur umango kee, miyade khatam nahee hotee
Ek phul me teraa rup basa ek phul me meree jawanee hai
Ek chehra teree nishanee hai, ek chehra meree nishanee hai
Main har ek pal kaa shayar hu, har ek pal meree kahanee hai
Har ek pal meree hastee hai, har ek pal meree jawanee hai
Main har ek pal kaa shayar hu

Tujhko mujhko jivan amrit, abb inn hatho se pina hai
Inakee dhadkan me basana hai, inakee saanso me jina hai
Too apni adaen baksh inhen main apni wafaye deta hu
Jo apne liye sochee thee kabhee, woh saree duwaye deta hu
Main har ek pal kaa shayar hu, har ek pal meree kahanee hai
Har ek pal meree hastee hai, har ek pal meree jawanee hai

Main har ek pal kaa shayar hu, har ek pal meree kahanee hai
