

Main hu ali baba baba ali baba
Koi na machao shor meri suno karo gaur
Sabko dikhata hu main jadu ka jor
Main hu ali baba baba ali baba

Hum nahi lute mal khajana or daulat na lute
Ab dunia dekhegi usko jisse sab kuch chhute
Uski dunia lut jaye ham ambar jiske ruthe

Batao kya hai nam tumhara
Mera nam mastana hai
Mera nam mastana
Mera nangaddana ho mera nangaddana
Mera na mhai gulab mera nam hai gulab
Aao mujhse karlo pyar
Hoshiyar hoshiyar hoshiyar
Ho jayega tera khana kharaba
Baba baba

Jab se dikha tere husan ka jalwa
Jab se dikha tere husan ka jalwa
O mere sabar ka pyala chhalka
Oye meri mallika
Tere ishk ka rang halka
Mithi bato se mujhko na dalka
Kya hai bharosha kal ka
Bharosha kal ka bharosha

Tum kya jano meri jan
Mere dil me bhi arman

Tum kya jano meri jan

Abhi main hu nojawan
Meri sun tu kali kali aankhe hai bejali
Meri ankhe hai baba
Main hu ali baba baba ali baba
Main hu ali baba baba ali baba.
