

Duniya mein logo ne  
Dil apne phir thame  
Aaya hoon lekar main  
Phir kitne hangame  
Jara dekho kaun aa gaya hain  
Zamane peh jo chha gaya hain  
Jami jispe hai sab nigahe  
Khuli kiski khatir hain baahe  
Aisa dildar aaya hain kaun  
Mujhko pehchan lo main hoo don

Main zindagi ki baji lagake  
Maut sey khelta hoon juwa  
Naa mujhko gham hai naa mujhko  
Parwah kaun mera dushman huwa  
Dushman jo mera ho  
Rehta nahi duniya mein  
Bahut hi khatarnak hoon main ho  
Bahut hi khatarnak hoon main  
Har ek pal mein chalak hoon main  
Duniya phir jitane aaya kaun  
Mujhko pehchan lo main hoo don

Palke bichhayee paas bulaye  
Kitni hasinaye mujhe  
Lekin do aankhe aankho mein  
Jhanke aur woh behkaye mujhe  
Yeh negahe yeh bataye  
Raaz hain iname nashile  
Ajab sa nasha chha raha hain  
Ajab sa nasha chha raha hain  
Mere dil ko behka raha hain  
Behka behka huwa aaya don  
Mujhko pehchan lo main hoo don.
