

Main hoon ghatothkach main duniya mein sabse niraala
Main hoon khatothkach mujhko meri maiya ne paala
Dharati hile ambar hile uthe jo mera gada
Main hoon khatothkach main duniya mein sabse niraala

Jaane saare jaane mere pita bheem balvaan
Apne vir pita pe hai mujhe bada abhimaan
Roke mera jo raasta aisa koyi hai kaha
Balvan aisa, ha mere jaisa koyi nahi hai yaha
Dharati hile ambar hile uthe jo mera gada
Main hoon khatothkach main duniya mein sabse niraala
Main hoon ghatothkach main duniya mein sabse niraala
Main hoon khatothkach mujhko meri maiya ne paala
Dharati hile ambar hile uthe jo mera gada
Main hoon khatothkach main duniya mein sabse niraala

Bairi ko na chhode arjun chacha ke baan
Paida na huwa vaisa phir koyi shoor mahaan
Main dheer hu, ranvir hu koyi na mujhse lada
Dharati hile ambar hile uthe jo mera gada
