Main bhi muskil kar du jina

Allah allah karti fire
Dekh ke humko sari duniya
Allah allah karti fire
Main hoon kafir mast hasina
Main bhi muskil kar du jina
Dekh ke humko sari duniya
Allah allah karti fire
Dekh ke humko sari duniya
Allah allah karti fire

Sham jaisi hai patli kamar
Teer jaisi katil hai tirchi najar
Phul jaisi lali hai ruksar par
Jam jaisi masti hai guldar par
Rat ko mai niklu beparda agar
Log kahe utara hai chand jami par
Ha has ke bhi dekh liya jidhar
Ghum gayi sari khudai udhar
Main hoon kafir mast hasina
Main bhi muskil kar du jina
Dekh ke humko sari duniya
Allah allah karti fire
Dekh ke humko sari duniya
Allah allah karti fire

Jism jaise sheeshe sandal mila
Aag jaise sone me heera mila
Chal jaisi chalti hai thandi hawa
Bal jaisi chhupti hai kali ghata
Koi hame na aisa mila
Dekh jisme hame kafir na kaha
Or kabhi chehre se parda hata
Haye mar dala yahi aayi sada
Aayi sada
Main hoon kafir mast hasina
Main bhi muskil kar du jina

Dekh ke humko sari duniya
Allah allah karti fire
Dekh ke humko sari duniya
Allah allah karti fire

Husan hamara hai khudao ka
Bhi khuda
Koi nahi aisa jo isse badh saka
Ek taraf hum ho or e ktaraf khuda
Or kabhi dono me ho mukabla
Dekhne ke kabil hai ye tamsha
Pal me jeet har ka ho jaye faisla
Apne husan par hai hame
Itna bharosha
Jeet jaye husan har jaye khuda
Har jaye khuda
Main hoon kafir mast hasina
Main bhi muskil kar du jina
Dekh ke humko sari duniya
Allah allah karti fire
Dekh ke humko sari duniya
Allah allah karti fire.
