

Main hoon piyaa nadiyaa  
Aur tum ho kinaara  
Zanam zanam ka sajni saath hamaara  
Haan main hoon piyaa nadiyaa  
Aur tum ho kinaara  
Zanam zanam ka sajni saath hamaara  
Haan saath hamaara

Dekh ke suraj ko hansti surajmukhi  
Dekh ke suraj ko hansti surajmukhi  
Dekha tumhen huyin meri ankhiiyaan sukhi  
Dekha tumhen huyin meri ankhiiyaan sukhi  
Mujhko milaa hai tumhaara sahaara  
Ho tumhaara sahaara

Sajni jeevan ki badi tedhi dagar hai  
Tedhi dagar hai  
Saajan mere saath to phir  
Mujhko kya darr hai kiska darr hai  
Sajni jeevan ki badi  
Tedhi dagar hai tedhi dagar hai  
Saajan mere saath to phir  
Mujhko kya darr hai kiska darr hai  
Behti rahegi ye jeevan ki dhaara  
Ye jeevan ki dhaara  
Zanam zanam ka sajni saath hamaara  
Main hoon piyaa nadiyaa  
Aur tum ho kinaara  
Zanam zanam ka sajni saath hamaara  
Haan saath hamaara.
