

Main hu saaqi tu
Hai sharabisharabi
Main hu saaqi tu
Hai sharabisharabi
Tune aankho se pilayii
Woh nasha hai ke duhai
Har taraf dil ke chaman
Mein phul khile hain gulabi
Gulabi main hu saaqi tu
Hai sharabisharabi
Main hu saaqi tu
Hai sharabisharabi

Ishq mein jina sambhal ke
Dil ka paimana na chhalake
Bahaki bahaki teri najare
Khwab dikhlaati hain kal ke
Bahaki bahaki teri najare
Khwab dikhlaati hain kal ke
Teri mehfil mein o saaqi
Ham chale aaye nashe mein
Abb toh bas yeh hai tamanna
Umrr kat jaaye nashe mein
Umrr kat jaaye nashe mein
Ishq hai teri sawali
Ishq hai teri sawali
Husn hai mera jawabi jawabi
Tu hai saaqi main
Hun sharabisharabi
Tu hai saaqi main
Hun sharabisharabi

Main teri duniya mein aa ke
Rah gaya khud ko bhula ke
Kya ho anjaam na jaane
Hosh ulfat mein ganva ke
Kya ho anjaam na jaane
Hosh ulfat mein ganva ke
Bekhudi ke yeh taraane
Yu hi gaaye ja dewaane

lyrics

Ishq rang laayega apna
Aa gaaye ab woh jamaane
Ishq rang laayega apna
Aa gaaye ab woh jamaane
Teri mastaani yeh baate

Teri mastaani yeh baate
Dil pe laaye na karaabi karaabi

Main hu saaqi tu hai sharabi
Sharabi tune aankho se pilayii
Woh nasha hai ke duhai
Har taraf dil ke chaman
Mein phul khile hain gulabigulabi
Main hu saaqi tu hai sharabi sharabi
Main hu saaqi tu hai sharabi sharabi.
