

Main hoon tere liye tu hai mere liye  
Main hoon tere liye tu hai mere liye  
Hoke tujhse juda ji sakunga na mai  
Hoke tujhse juda ji sakunga na mai  
Hoke mujhse juda tu bhi kaise jiye  
Main hoon tere liye tu hai mere liye  
Main hoon tere liye tu hai mere liye

Teri yaado me dhalti hai shamo sahar  
Teri yaado me dhalti hai shamo sahar  
Tan badan me uthe ek diwani lahar  
Tere khilte badan ki ye khusbu yaha  
Tere khilte badan ki ye khusbu yaha  
Sath rahti hai mai jab bhi jau jaha  
Ek nasha dil le cha jata hai bin piye  
Main hoon tere liye tu hai mere liye  
Main hoon tere liye tu hai mere liye

Tere kajal si jab sham dhalne lage  
Tere kajal si jab sham dhalne lage  
Wadiyo ki ye rangat badalne lage  
Milke mujhse bichadne lage jab bhi tu  
Milke mujhse bichadne lage jab bhi tu  
Ek andhera sa chane lage char su  
Aankho me jal uthe pyar ke so diye  
Main hoon tere liye tu hai mere liye  
Main hoon tere liye tu hai mere liye

Jism do hai magar dono hai ek ja

Mai jaha tu waha tu jaha mai waha  
Sath hi jine marne ke wade kiye  
Main hoon tere liye tu hai mere liye  
Main hoon tere liye tu hai mere liye  
Hoke tujhse ji sakungi na mai  
Hoke tujhse ji sakungi na mai

Hoke mujhse juda tu bhi kais jiye  
Main hoon tere liye tu hai mere liye  
Main hoon tere liye tu hai mere liye  
Main hoon tere liye  
Main hoon tere liye  
Main hoon tere liye  
Main hoon tere liye  
Main hoon tere liye
