Main hoon tum ho
Raat hain aur khaamoshi
Main hoon tum ho
Raat hain aur khaamoshi
Kaano mein aawaaz ka
Ras tum ghol rahi ho
Koyal bol rahi hai
Ya tum bol rahi ho
Main hoon tum ho
Raat hai aur khaamoshi

Shaam teri aawaaz mein khoyi khoyi si
Mausam pal pal tere sapane bunata hain
Behate paani ke mithe halkaaro mein
Dil mera aawaaz tumhari sunata hai
Kaliya khilti hain ya tum lab khol rahi ho
Koyal bol rahi hai ya tum bol rahi ho
Main hoon tum ho
Raat hain aur khaamoshi

Yu tere honton se labj nikalate hain
Kali raat me jaise chaand nikalata hai
Saanj adhura hai teri aawaaz bina
Nagama tera haath pakadkar chalata hai
Tum anmol ho aur sada anmol rahi ho
Koyal bol rahi hai ya tum bol rahi ho
Main hoon tum ho
Raat hain aur khaamoshi

Tu khushbu si bikhari hai har taraf mere
Main deewaana tere suron pe marta hoon
Isase badhakar aur mohabat kya hogi
Main teri aawaaz ko sajata karata hoon
Tum mujhame chhupkar
Kuch mujhase bol rahi ho
Koyal bol rahi hai ya tum bol rahi ho

Main hoon tum ho
Raat hain aur khaamoshi
Main hoon tum ho
Raat hain aur khaamoshi
Kaano mein aawaaz ka
Ras tum ghol rahi ho
Koyal bol rahi hai
Ya tum bol rahi ho
Main hoon tum ho
Raat hain aur khaamoshi.
