Kaise aaj nahi baje teri been re

Kisi pardeshi ka chhota sa jiya
Aise nach ke na haule haule chhin
Aise nach ke na haule haule chhin
Nache re nagin baje re been
Nache re nagin baje re been

Lakho sapero ka dil dhadkaye
Paw hamara jidhar pad jaye
Jidhar pad jaye
Lakho sapero ka dil dhadkaye
Paw hamara jidhar pad jaye
Gore badan wali chham chham ke lahra
Aisa na ho ke jahar chad jaye
Jahar chad jaye
Bachna meri lahariya ka mara
Ke main hu gori nagan dekhungi rasiya
Kaise aaj nahi baje teri been re
Ho kaise aaj nahi baje teri been re
Kisi pardeshi ka chhota sa jiya
Aise nach ke na haule haule chhin
Aise nach ke na haule haule chhin
Nache re nagin baje re been
Nache re nagin baje re been

Bade rasile hai babu tere naina
Kaha thikana hai jara kah dena
Ji jara kah dena
Bade rasile hai babu tere naina
Kaha thikana hai jara kah dena
Ji jara kah dena
Ek raat gori sham ko rahna
Sawere chal dena

Sawere chal dena
Meri nagaria phir aana dobara
Main hu gori nagan dekhungi rasiya
Kaise aaj nahi baje teri been re
Kaise aaj nahi baje teri been re

Kisi pardeshi ka chhota sa jiya
Aise nach ke na haule haule chhin
Aise nach ke na haule haule chhin
Nache re nagin baje re been
Nache re nagin baje re been.
