

Main hu jadugar ho main hu jadugar
Kar du jamane ko idhar se udhar
Main hu jadugar ho main hu jadugar
Kar du jamane ko idhar se udhar
Main hu jadugar ho main hu jadugar

Bato hi bato me mainne
Jispe jadu dala
Bato hi bato me mainne
Jispe jadu dala
Haye haye karke usne
Dil ko sambhala

Naina mere kale kale
Dikhne me bhole bhale
Inki katari chale sar sar sar
Main hu jadugar ho main hu jadugar
Kar du jamane ko idhar se udhar
Main hu jadugar ho main hu jadugar

Mere jadu ki jholi bhar
Sare mere chele hai
Kya chini kya japani
Mere jadu ki jholi bhar
Sare mere chele hai
Kya chini kya japani
Mantar main aisa chalau
Chuhe ko hathi banau
Main hu jadugar ho main hu jadugar
Kar du jamane ko idhar se udhar
Main hu jadugar ho main hu jadugar

Chala chala chala jadu dil ko bachana
Dekho dekho dekho kahi fisal na jana
Chala chala chala jadu dil ko bachana
Dekho dekho dekho kahi fisal na jana
Aaye yaha bade bade
Lut gaye khade hkade
Tujhe bhi na rona pade
Main hu jadugar ho main hu jadugar

Kar du jamane ko idhar se udhar
Main hu jadugar ho main hu jadugar
Kar du jamane ko idhar se udhar
Main hu jadugar ho main hu jadugar.
