

Are kuchh nahi kuchh nahi  
Are kuchh nahi kuchh nahi  
Phir kuchh nahi bhata  
Jab rog ye lag jata  
Main hun prem rogi  
Main hun prem rogi  
Meri dava to kara o  
Main hun prem rogi  
Meri dava to kara o  
Jao jao kisi vaid ko bulao  
Main hun prem rogi  
Phir kuchh nahi bhata  
Jab rog ye lag jata  
Main hun prem rogi  
Meri dava to kara o  
Main hun prem rogi

Soch raha hun jag kya hota  
Soch raha hun jag kya hota  
Isme agar ye pya na hota  
Mausam ka ehsas na hota  
Gul gulshan gulzaar na hota  
Hone ko kuchh bhi hota par  
Hone ko kuchh bhi hota par  
Ye sundar sansar na hota  
Mere in khayalo main  
Mere in khayalo main  
Tum bhi dub jaao  
Mere in khayalo main  
Tum bhi dub jaao  
Jao jao kisi vaid ko bulao  
Main hun prem rogi

Yaaro hai wo kismat wala  
Prem rog jise lag jata hai  
Sukh dukh ka use hosh nahi nai  
Apni lau main ram jata hai  
Har pal khud hi khud hasta hai  
Har pal khud hi khud rota hai  
Ye rog lailaaj sahi

Phir bhi kuchh karao  
O jao jao jao  
Are jao jao jao  
Mere vaid ko bulao

Mera ilaaj karao  
Aur nahi koi toh  
Mere yaar ko bulao  
O jao jao jao  
Mere dildar ko bulao  
Main hun prem rogi  
Meri dava to karao  
Main hun prem rogi.
