

Main jis mehfil mein aata hoon
Main jis mehfil mein aata hoon
Main jis mehfil mein aata hoon
Main jis mehfil mein aata hoon
Main jis mehfil mein aata hoon
Aata hu aata hu aata hu jo
Chahta hu le jata hu
Jo chahta hoon le jata hu
Jo chahta hoon le jata hu
Main jis mehfil mein aata hoon
Jo chahta hoon le jata hu

Main woh balla hoon main wo balla hu
Jis se khudayi dar gayi
Main woh balla hu
Jis se khudayi dar gayi
Maut se takar hui to
Maut tobba ker gayi
Tobba tobba tobba
Main jis mehfil mein aata hoon
Jo chahta hoon le jata hu

Duniya ka iss mutthi me
Aagaz hai anjam hai
Duniya ka iss mutthi me
Aagaz hai anjam hai
Aur kuda ke baad har ek
Leta mera naam hai
Naam hai naam hai

Main jis mehfil mein aata hoon
Jo chahta hoon le jata hu
Main kya hu aur kon
Hu tum jante nahi
Main kya hu aur kon
Hu tum jante nahi
Dono ka marphul maut
Hu tum pahchante nahi
Main maut se bhi lad jata

Hu mi maut se lad jata hu
Main jis mehfil mein aata hoon
Jo chahta hoon le jata hu

Main jis mahfil mein aata hoon
Jo chahta hoon le jata hu
Mainwo ajim hasti hu
Jisse waqt na mita sake are
Main wo ajim hasti hu
Jisse waqt na mita sake
Na aandi hi uda sake
Na sola hi jala sake
Banduk se jo path kare
Main ush nasal ka khoon hu
Jo dusmano ko kuchal
De main aisa ek janun hu
Jalimo aur bagiyo
Katil luteri ke liye
Jalimo aur bagiyo
Katil luteri ke liye
Main khud hi to insaf hu
Main khud hi ek kanun hu
Kanun se main takrata hu
Kanun se main takrata hu

lyrics

Jo chahta hoon le jata hu
Jo chahta hoon le jata hu
Main jiss mehfil mein aata hoon
Jo chahta hoon le jata hu
Julm hu aur andher hoon main
Aur jangal ka sher hoon main
Sher pe sawa sher hoon main
Mujhe itna josh nahi
Main bhi to kamosh nahi
Itna aur fasad hoon main
Tere liye jalad hoon main
Dono ka ustad hoon main

Itna aur fasad hoon main
Tere liye jalad hoon main

Dono ka ustad hoon main
Main jis mehfil mein aata hoon
Jo chahta hoon le jata hu
Main jis mehfil mein aata hoon
Jo chahta hoon le jata hu
Main jis mehfil mein aata hoon
Jo chahta hoon le jata hu.
