

Main kash ke patthar hota
Main kash ke patthar hota

Main kash ke patthar hota
Main kash ke patthar hota
Main kash ke patthar hota
Main kash ke patthar hota
Tere dar pe pada rehta main sada
Tere dar pe pada rehta main sada
Koi shikwa na lab par hota
Main kash ke patthar hota
Main kash ke patthar hota

Sine pe tere kadmon ki nishaan
Padte rehte padte rehte
Sine pe tere kadmon ki nishaan
Padte rehte padte rehte
Poore hote mere armaan
Aur zakhm sabhi bharte rehte
Aur zakhm sabhi bharte rehte
Hoti rehti yun khwabon si
Hoti rehti yun khwabon si
Kya apna muqaddar hota
Main kash ke patthar hota
Main kash ke patthar hota
Tere dar pe pada rehta main sada
Tere dar pe pada rehta main sada
Koi shikwa na lab par hota
Main kash ke patthar hota
Main kash ke patthar hota

Sapne hi na hote to
Sapno ke lutane ki shikayat kya hoti
Sapne hi na hote to
Sapno ke lutane ki shikayat kya hoti
Ghairo ki adavat kyun chubhati
Aur teri mohabbat kya hoti
Aur teri mohabbat kya hoti
Phir tera karam aur zulmo sitam
Phir tera karam aur zulmo sitam

Sab ek barabar hota
Main kash ke patthar hota
Main kash ke patthar hota
Tere dar pe pada rehta main sada
Tere dar pe pada rehta main sada
Koi shikwa na lab par hota
Main kash ke patthar hota
Main kash ke patthar hota
Main kash ke patthar hota
Main kash ke patthar hota.
