

Khwabon ki dahleezein
Kadmon ko ab mere hai choomti
Haan haan haan
Pehle tha main peechee
Yeh duniya ab peechee
Hai ghoomti
Haan haan haan

Main kya hoon
Main kya yeh batlaon
Main woh hoon jo chahoon woh paon
Main khud se hi vaade nibhaon
Main woh hoon jo chahoon woh paon

Ab saari raahein khole baahein
Peeche aayein mere manzilein
Ab jaoon jahan lage wahan
Mere hone se hain mehfilein

Hoooo
Ab saari raahein khole baahein
Peeche aayein mere manzilein
Ab jaoon jahan lage wahan
Mere hone se hain mehfilein

Main jeene ka andaaz janoon
Main khushiyon ka har raaz janoon
Main janoon jahan ko batlaon

Main woh hoon jo chahoon woh paon
Main khud se hi vaade nibhaon
Main woh hoon jo chahoon woh paon

Ab jaana maine jeena kya hai kya hai
Poora hona khawaab ka
Ab dekhoon na who sochoon na woh
Jo bhi yahan na ho khawab sa
Ab jaana maine jeena kya hai kya hai
Poora hona khawaab ka
Ab dekhoon na vo sochoon na woh
Jo bhi yahan na ho khawab sa

Hai shamon mein ab to savere
Hai haathon mein ab waqt mere
Main ooncha iraadon se jaoon
Main woh hoon jo chahoon woh paoon
Main khud se hi vaade nibhaoon
Main woh hoon jo chahoon woh paoon

Khwabon ki dahleezein kadmo ko
Ab mere hai choomti
Haan haan haan.
