

Main kya karoon
Kya karoon, kya karoon, kya karoon
Ho, main kya karoon
Kya karoon, kya karoon, kya karoon
Prem deewani hoon, par main anjaani hoon
Uljhi hai jo dori woh main kaise suljhaaon
Main kya karoon
Kya karoon, kya karoon, kya karoon

Main chali thi sapnon ke rath mein
Phir chalte chalte mujhe mann ke path mein
Yeh doraah kaisa mila
Ek aur sab reet rasmein
Aur ek aur chaahat ki kasm mein
Ab kya main kahoon kya mila

Main chali thi sapnon ke rath mein
Phir chalte chalte mujhe mann ke path mein

Yeh doraah kaisa mila
Ek aur sab reet rasmein
Aur ek aur chaahat ki kasm mein
Ab kya main kahoon kya mila
Ek aur jeevan hai, ek aur saajan hai
Meri ab jo uljhan hai woh kaise samjhaaon
Main kya karoon
Kya karoon, kya karoon, kya karoon.
