Tu tu na raha main main na rahi
Tu tu na raha main main na rahi
Lo suru ho gayi lo suru ho gayi
Do dilo ki dastaan
Main main na raha
Main main na rahi
I love you i love you

Teri aankho mein kya nayi pyas hain
Is badalti hain kyu chal rahi sans hain
Teri aankho mein ye kya nayi yaad hain
Is kadar chees kyu chal rahi sath hain
Ye jazbat kya ye kya ehsas hain
Rut badalti rahi par nisa ho yahi
Lo suru ho gayi lo suru ho gayi
Do dilo ki dastaan
Main main na rahi
Main main na raha

Vadiyo se kahin uth raha hain dhua
Vadiyo se kahin uth raha hain dhua
Jal uthe pyar ki raah mein do dil jawa
Is hasi dhund mein kho gaye do jaha
Koi aankho mein hai kagzat kahin
Lo suru ho gayi lo suru ho gayi
Do dilo ki dastaan
Main main na raha
Main main na rahi
Hey i love you.
